Friends of the Boardwalk played host to the Asthma, Chronic Bronchitis, Emphysema

Support Group (ACES) on the occasion of the ACES annual holiday party at St. Paul's

Lutheran Church, 2801 West 8th Street.

Friends of the Boardwalk sponsors ACES, a grassroots organization dedicated to helping people with lung disease to better understand and cope with this debilitating illness. ACES, in existence since April of 2001, meets monthly, weather permitting.

Joining in the fun-filled evening was City Councilman Domenic Recchia Jr., Associate Director of Community Relations for Comptroller William C. Thompson Jr., Friends of the Boardwalk Chairman Todd Dobrin, Marty Levine of the Coney Island Development Corporation, members of Community Board 13, ACES Founder Ellen Dobrin and ACES Co-Chair Helene Katz.

Gene Ritter and Lenny Speregen also presented a program about artifacts recovered off of the waters of Coney Island, specifically under the now defunct Dreamland and Steeplechase piers.
